# MARKET HANDBOOK 2018

FOR VENDORS & COMMUNITY GROUPS

## Statement of Purpose

Urbana's Market at the Square has been operated by the City of Urbana since the late 1990s and has grown into a significant economic, social, and educational opportunity for its patrons, vendors, community groups, and performing artists. It's a tremendous asset to central Illinois, and its vitality is very important to the City of Urbana.

## Mission of Urbana's Market at the Square

Urbana's farmers market is a vibrant market that connects the community with local food growers and producers, strengthens our local food economy, provides access to local artisans, and serves as a community gathering place.

## Definition of Producer-Only

Urbana's Market at the Square encourages the sale of a variety of goods and emphasizes fresh, local foods. All items must be directly and personally homegrown, handmade, and/or created from locally-owned operations within the state of Illinois. Examples of approvable items include produce, flowers/plants, meat, dairy, baked goods/prepared foods, art/crafts, wine, beer, and spirits.

## Participant Categories and Definitions

A vendor is an owner/operator of a business entity approved to sell at Urbana's Market at the Square from May 5 to October 27, 2018. The categories and definitions of products to be sold at Urbana's Market at the Square are below.

**A Grower** is a person actively involved and invested in the planting, growing and harvesting of agricultural products. We define agricultural products as fresh fruits and vegetables, meat, nuts, honey, eggs, fresh herbs and flowers. Certain certificates/licenses/permits may be required.

**A value added food vendor** sells products in which the physical state or the manner in which the agricultural products has been altered. Products may be cooked, canned, dried, baked, preserved such as flour, cheese, ice cream, breads, pastries, chocolates, jams and jellies. Certain certificates/licenses/permits may be required.

**A mobile food vendor** sells food that is freshly made and available for immediate consumption on-site at Urbana's Market at the Square. The Market encourages this category of vendors to source ingredients locally, especially from Market at the Square growers and producers. Certain certificates/licenses/permits may be required.

**An arts, crafts and handmade goods vendor** sells products designed, fabricated and hand-crafted by the artisan vendor. Acceptance is based on originality of design, materials and production techniques. All crafts must be of excellent workmanship both in quality and design. The items must show evidence of manual skills obtainable through a significant period of dedication and experience.

**A community group** must be a non-profit, charitable, educational, or government organization. While the mission of Urbana's Market at the Square involves the promotion of supporting local Illinois growers and artisans, the Market also allows tables for non-profit community groups during Market hours as a service to the community.

## Additional Participant Details

## SNAP/EBT AT URBANA'S MARKET AT THE SQUARE

Farmers markets and direct marketing farmers are a great source of fresh fruits, vegetables, and other healthy foods. The United States Department of Agriculture (USDA) has made it a priority to expand access to such food for Supplemental Assistance Nutrition Program (SNAP) participants.

In Illinois, SNAP benefits are loaded onto a card called LINK. Urbana's Market at the Square is proud to provide a program that allows SNAP participants to use their benefits on healthy, locally-grown produce and SNAP-eligible products at the farmers market. Market Staff provide wooden tokens to use same as cash at SNAP-eligible Market vendors. The tokens come at no cost to customers.

To ensure consistency and clarity for customers, the Market requires that all vendors selling SNAP-eligible items participate in our SNAP program. **There is no fee for vendors to participate in this program.** However, all vendors, including those selling items non-eligible for SNAP purchases, must be familiar with this program and comply with the requirements in this Agreement. To ensure consistency and compliance with regulations, vendors participating in Urbana's Market at the Square must certify in the vendor application that they are aware of and agree to the rules of this program.

All SNAP-eligible vendors will receive a special packet of information on their first day of Market that includes a more detailed overview of our SNAP program, details on how to account for and reconcile wooden tokens, the reimbursement process, and more. Vendors also will be provided with a "We Accept LINK Tokens" sign, which must be displayed at their booth at all times. If any of these documents or signs are misplaced please let Market Staff know right away and they'll provide duplicates.

The Market promotes this program through on-site signage, brochures, press releases, and advertising. The Market also seeks out opportunities to incentive our SNAP program through double value grants. These grants help to extend SNAP participants purchases, meaning, stretch their dollar at the farmers market. In 2017 over \$23,000 in SNAP and SNAP Double Value funding was distributed at Urbana's Market at the Square.

Our SNAP program is a very important part of our farmers market and we are dedicated to providing this opportunity to the community. Please let Market Staff know if you have any questions.

## EMERGENCY PROTOCOL

As with any large public event, it is necessary to establish an emergency/crisis management plan and ensure that all vendors and community groups are aware of this plan. Here are some examples of an emergency situation:

- There is an explosion or an accident involving multiple victims and there is potential danger to the public
- A firearm(s) being discharged
- A suspicious package is found
- There is fire that is not under control
- There is a chemical spill with fire or fumes
- Severe weather is imminent (i.e. tornado)

The Market does not have a speaker system. Therefore, it is necessary that there is open communication with Market staff regarding any potential emergency situation. As always, please call 9-1-1 if an emergency situation is taking place. Our evacuation plan at Urbana's Market at the Square in case of an emergency is the following:

- Remain calm.
- EVERYONE must immediately evacuate the Market site through the nearest exit/gateway.
- In the event of severe weather, please immediately evacuate the Market and go inside the nearest entrance of Lincoln Square Mall. Market staff will assist in directing individuals indoors. This is not to set-up booths for sale during inclement weather. This is only to act as an indoor location for physical protection from severe weather.
- Do not return to the Market site until directed by public safety officials.
